

The Board of Directors of the Forward Devils Lake Development Corporation (FDL) (a 501c(6) non-profit corporation) have restructured our membership to make it as simple as possible.

FDL recognizes that investment levels should vary from business to business depending your commitment to economic development.

Devils Lake board meetings are open to the public and typically meet the last Friday of every month at the White House Café at 12:00 noon.

Thank you for considering being an FDL investor! We ask that you review the four levels and check the one most applicable to you and/or your business.
